

## ISLAND PACKET 380

<b>Dimensions</b>	12.20 x 4.01 x 1.40 meter
<b>Built</b>	2000
<b>Material</b>	GRP
<b>Engine(s)</b>	1x Yanmar 4JH3E 41.9 kW diesel 57 hp
<b>Price</b>	Sold

This Island Packet 380, designed by Bob Johnson, is a full keel sailing yacht and offers excellent control, comfortable sailing features and easy maneuverability. Thanks to its width and well thought-out layout, the interior underneath feels much larger than many other 40-foot boats. She is well-maintained and has had a small refit in 2012. Further equipped with Dickinson heater, complete navigation system, GPS, plotter, windmill, etc. The yacht is on display at our sales marina in Harlingen by appointment.
