Well maintained Kuster A-38 from 2006. This yacht is equipped with a Vetus Deutz 114 hp engine and a hydraulic bow thruster. It also has a complete set of navigation with a Raymarine plotter, depth sounder, log, compass, autopilot and radar. This Kuster A-38 has many other conveniences such as an oven, ceramic stove, Mastervolt inverter (5 kW) and a battery charger. The layout is standard on the Kuster A-38 with two cabins, four fixed berths (with new mattresses) and an inside-/outside steering position. The yacht can be inspected at our yard in Harlingen.
