This well maintained Gillissen Steenvlet 12.00 is surprisingly spacious. The design is characteristic for the famous Dutch designer Th. Gillissen namely timeless and classic. The aft deck is fitted with teak and handy second steering position. The interior with solid woodwork shows a warm atmosphere. Equipped with generator, new Raymarine navigation (installed April 2018) , Kabola Heating system and an in 2018 completely outside repainted. With a draft of only 1.25 m. the Gillissen is particularly suitable for all inland waters both in the Netherlands and abroad.
