

NELSON WEYMOUTH 32 PILOT

Dimensions	10,30 x 3,30 x 1,10 meter
Built	1973
Material	GRP
Engine(s)	2x Volvo Penta D3 130 hp
Price	Sold

This neat Nelson 32 from the year 1973. The boat is in perfect condition and has undergone a complete technical refit in 2010-2012. During this refit new propeller shafts with water-lubricated bearings, new AGM Victron batteries and new shore power installation were installed. Equipped with 2x Volvo Penta D3 engines from 2010 with only 395 hours on the counter. In addition to the complete navigation equipment, including a VHF, autopilot, radar and chartplotter, the boat is also equipped with a lot of comfort. The hot air heating, stainless steel davits, new boat cushions and the electric toilet complete the ship. The ship can be visited by appointment in our harbor in Harlingen
