SOLD WITH RESERVATION! New to the sale! Linssen Classic Sturdy 400 AC from 1995. The ship has a powerful Volvo Penta TAMD41HD engine with 145 hp. The layout can be called special. The spacious cockpit, which is equipped with a teak deck and large boxes, offers access to the wheelhouse which has an L-shaped seating area. Through 2 cabins there are 4 fixed sleeping places available and there is a possibility to create 2 extra sleeping places through the dinette. The spacious galley offers plenty of room for a pleasant dinner. The ship is equipped with a lot of comfort and makes a long stay on board very pleasant. For instance: 2 toilets, an oven, heating, bow and stern trusters, davits, TV and a complete navigation system.
