New on sale! A Gillissen Vlet 11,00. Construction of Jachtbouw Zevenhuizen in 1992. This ship has a Ford diesel engine of 105 hp. Spotless mooring is no problem with the remote-controlled Vetus bow and stern thrusters. Security was also considered. The ship has a complete navigation system on board! The galley is fully equipped and offers 2 sleeping places in addition to the 2 fixed beds in the front cabin. In 2017, a completely new Mastervolt electrical system was installed in addition to a new refrigerator, oven and searchlight. The batteries have also been replaced. In May 2020 new Antofouling has been put on and has the woodwork outside been repainted. In short, a ship ready to sail!
